

NEW PRODUCT RELEASE

CRL20 SERIES - LOW PROFILE LED TRAILER LAMPS

Description

Whitevision's all new CRL20 Series is the next advancement in automotive LED lighting technology. Incorporating stop / tail / indicator / lic plate and reflector functions for an all in one package. This modern design with unique Whitevision lens pattern, produces a high quality finish for rear lighting requirements.

The low profile body makes this lamp a perfect fit for many OE and retro-fit applications.
